SUMMARY FOR EXAMINER PHONE INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The following is a transcribed record of the Examiner Steven Michael Cernoch's voicemail of Monday, August 16, 2010:

"Hello, this Patent Examiner, Steven (Michael) Cernoch, calling you back regarding Case Serial Number: 10590527. Your statutory period of time does in fact move, it started up again August 5th and your three-month period goes until November 5th. If you have any questions, please give me a call back--my number is (571) 270-3540. Thank you very much. Bye."

Examiner Cernoch's voicemail is a response to Bryan Cave patent agent Stephen Benyi's inquiry as to whether the three-month shortened statutory period for response was reset to toll from the August 5, 2010 mailing date of the supplementary final office action to United States patent application 12/420,699. It is Applicants' understanding that the final office action mailed on May 17, 2010 has been withdrawn and that Applicants' are no longer bound by any due dates measured from May 17, 2010.

Respectfully submitted,

Date: 8/17/2010
